New Parents' Survival Kit

When their bundle of joy arrives, new parents experience a whirlwind of change. These handy products will help calm the storm and smooth the way for moms and dads.

Big Brother, Big Sister

While you're busy with Baby, older siblings will be happy to play with the My Little Pediatrician Kit (\$49.99, www.littlemedicalschoo.com), which comes with a plush doll, a lab coat, workbook, markers and a tape measure in a mini-Finnish baby box.
